THE CREATION OF GREAT DESIGN IS OUR GUIDING PRINCIPLE.

That moment of surprise when someone walks into a room, sees an object, and gets a feeling of some new possibility. That's the quality we want to capture in the pieces we make. But a good furniture design also has to be honest and serve its purpose. It's a challenge. So, we call upon our core belief in craft and technology. We work relentlessly on the details. We put a huge amount of time, thought and care into each piece. Welcome to Bernhardt Interiors. Iconic furniture designed for a modern era, and for you. Express what you will.
